STATEMENT OF DESIRE:

It is my desire to apply as a participant and to serve as one of the team members on one of the upcoming Jeremiah 16:16 Fishing Trips to Kiev, Ukraine sponsored by Ezra International. I realize that by participating in this trip I will be given a very unique opportunity of not only seeing Bible prophecy being fulfilled but I will actually be used of God to fulfill Bible prophecy as I become one of the Jeremiah 16:16 fishers that God's prophet spoke about two thousand seven hundred years ago.

It is also my very strong desire to offer myself as a servant to the Seed of Abraham assisting them in anyway possible and to show them true UNCONDITIONAL LOVE during my visit to Ukraine as I assist them in their preparation for their prophetic return to Israel!

I realize that by applying to become a team member with Ezra International it does not guarantee me a position on the team due to team members being selected on a first come first serve basis as well as by the personal information given in this application.

STATEMENT OF RELEASE:

I do hereby release Ezra International, its' officers, representatives and agents of any and all liability including expenses that I may suffer due to loss of life, injury, illness or loss of personal property while traveling to, participating in or returning home from a Jeremiah 16:16 fishing trip. I am voluntarily applying as a participant under no duress by Ezra International or any other person with full knowledge and awareness of any and all hazards which may or may not be associated with making such a trip into the former Soviet Union.

I also permit Yes No Ezra International or one of its agents to seek out on my behalf any medical assistance, hospitalization and/or special medications if such need arises if I am placed in a position which would prohibit me from making such a conscience decision. I do hereby release Ezra International, its' officers, representatives and agents of any and all liability including expenses that I may suffer due to receiving such medical treatment, being hospitalized or by taking such medications.
