

COUNTDOWN

HANGGE 4 CHILDREN

The countdown to **Change 4 Children Day** on **11/11/11** has begun. This year we are focussing on the number **11**.

For **11** weeks you could save **£1/£11/£111** per week and on **11/11/11** have a day of giving of the **£11** multiples.

Have sponsored events that draw on the number **11** -

- eleven mile walk, run, bike ride
- eleven hundred yards swim
- sale of eleven cakes in a box
- eleven hours TV fast
- or any fun thing that uses the number **11**

You can, of course, choose to do something different and also to still collect your loose change to be given on or around **11/11/11**. Make sure your gifts are marked for the children.

Your giving makes a world of difference!
